Allowed Calculators

Only non-QWERTY calculators are allowed in MESA Day competitions. All calculators MUST be supplied by the individual/team that will be using it.

Calculators are ONLY allowed in the following Middle School competitions:

- Solo Math
  - Level 2: Algebra 1
  - Level 3: Geometry
- Team Math Quest
  - Level 2: Algebra 1/Geometry

NOTE: Calculators are NOT permitted for General Math or Pre-Algebra Solo Math exams or Team Math Level 2: General Math or Pre-Algebra.

Calculators ARE allowed in all High School Solo Math and Team Math exams

Some examples of permitted calculators are included below.
Examples of Calculators that are NOT Allowed

Calculators that have typewriter-like keyboards (QWERTY), require an electrical outlet, make noises, or use paper are not permitted. Additionally, devices with embedded calculator functions such as cell phones, PDAs, organizers, laptops or handheld computers are NOT allowed.

QWERTY calculators are NOT allowed to be used during any competition. Some examples are:
